10 September 2007

Dear Soccer Parents,

It's been a great first two weeks of soccer for the boys and the coaching staff. The year looks promising as we start the hard work of preparing for the season. I appreciate those of you I've met so far and look forward to meeting more as the year progresses.

While Coppell soccer has an incredible tradition of winning, standard training gear would add to the boys' sense of identity. In my experience, if I provide the gear for the boys I can provide two shirts and a pair of shorts for five training sessions a week. Additionally, UIL has some quirky rules about when they can wear the gear. However, if the players purchase the shirts, they can wear them anytime they like and purchase as many as they wish. We're also going to make these shirts with a unique design available only to the players. With a standard shirt and standard short, players should be able to keep the same gear over a couple of years, at least.

On the reverse side of this letter you will find an order form along with the logo for the front of the shirt. Keeping in mind the cost, I've selected a quality Adidas short that will cost \$8.50 and a quality 50/50 shirt that will cost \$6. Should purchasing the equipment be a hardship for a player and his family please let me know and I will have enough on hand to provide equipment when needed. Please return your order by our first booster club meeting, Monday, 17 September with checks made payable to Coppell ISD.

If you have any questions or concerns, please feel free to contact me by either e-mail or phone.

Sincerely,

Shane Bybee
